	<i>If pregnant, due date: __/__/____</i>				
	Recent Vaccination History: _____ _____ _____	Travel History: Area(s): _____ _____ Dates: _____			
Zika virus assays are intended for use with specimens collected from individuals meeting CDC Zika virus clinical criteria (e.g., clinical signs and symptoms associated with Zika virus infection) and/or CDC Zika virus epidemiological criteria (e.g., history of residence in or travel to a geographic region with active Zika transmission at the time of travel, or other epidemiologic criteria for which Zika virus testing may be indicated as part of a public health investigation).					
NCSLPH provides testing to patients when the following criteria are met:					
<ul style="list-style-type: none"> • A pregnant woman who: <ul style="list-style-type: none"> ➢ Spent time in an area with a Zika travel notice while pregnant, or ➢ Had unprotected sex with a partner who spent time in an area with a Zika travel notice • An individual with symptoms associated with Zika virus infection (rash, joint pain, fever, and/or conjunctivitis) who: <ul style="list-style-type: none"> ➢ Spent time in an area with a Zika travel notice, or ➢ Had unprotected sex with a partner who spent time in an area with a Zika travel notice 					
<input type="checkbox"/> I certify that the patient I am requesting Zika testing for meets the criteria outlined above.*					
Physician Name (Print) _____					
Physician Signature _____					
* For further guidance regarding eligibility for Zika testing, please visit the Zika Virus Testing page on the NCSLPH website at http://slph.ncpublichealth.com/zika/default.asp
