Subject: 2010 QC Year End Report

Attached you will find the **2010 Year End Report** for the Quality Control of the GC-Lect media, done at the State Laboratory of Public Health. In order to be CLIA compliant, this information must to be retained with your QC records for at least two years.

After a Lot of GC-Lect media has undergone QC a memo is sent to each county, for their records, informing them of the results. This is sent either by hard copy in the mail or electronically via e-mail. If you have e-mail access or obtain access in the future, please provide that information to me at the phone number below or via e-mail at tiffany.perdue@dhhs.nc.gov. Thank you.

If you have any questions, please contact Tiffany Perdue in Lab Improvement at (919) 733-7186.
